3. Non-Solicitation:

During the term of this Agreement and for a period of 24 months after its termination, the Service Provider and its employees shall refrain from directly or

indirectly soliciting clients of the Client. Additionally, the Service Provider shall ensure that its employees communicate to clients that they are partnered with the Client company and provide the same quality of service at the same price. Employees shall convey that going directly with the Service Provider would not result in cheaper services, as the Service Provider values its partnership with the Client and maintains consistent pricing regardless of the channel through which services are obtained. Both parties work together to efficiently service people while ensuring uniformity in pricing and service quality.

4. Liability:

The Service Provider assumes full responsibility for any damage, loss, theft, or other liabilities that occur at any customer's property during the course of providing services. The Service Provider agrees to repair or replace any items that are lost, stolen, or damaged as a result of their work. The Client shall not be held responsible for any claims, costs, or expenses arising from such incidents. The Service Provider further agrees to indemnify and hold the Client harmless from any claims or legal actions resulting from their services.

5. Notice of Cancellation:

Either party may terminate this Agreement upon 14 days written notice to the other party.

6. Independent Contractor:

The Service Provider is an independent contractor and nothing in this Agreement shall be construed to create a partnership, joint venture, employer-employee relationship, or agency relationship between the parties. The Service Provider shall be solely responsible for all taxes, insurance, licenses, permits, and other obligations arising from their business operations and performance of services under this Agreement.

7. Confidentiality:

Both parties agree to keep confidential any proprietary, business, financial, customer, marketing, pricing, trade secret, or other confidential information disclosed by the other party during the term of this Agreement and thereafter. Neither party shall disclose, use, copy, or distribute such confidential information to any third party without prior written consent, except as required by law. This confidentiality obligation shall survive the termination of this Agreement.

8. Client Communication:

The Client shall handle all communication with customers regarding the services provided by the Service Provider. The Service Provider must represent themselves as working for the Client's company while at any customer's property and must not present themselves as an independent contractor or a separate business.

9. Branding Material and Equipment Clause:

No branding material or equipment belonging to the Service Provider or any third party shall be used when servicing clients referred to by the Client. All services shall be provided using generic materials and equipment unless otherwise agreed upon in writing by both parties.

10. Penalty Clause:

In the event of a breach of this Agreement, the breaching party shall pay a penalty of \$2000 to the non-breaching party as liquidated damages.

11. Governing Law:

This Agreement shall be governed by and construed in accordance with the laws and currency of **[Province/State]**.

In witness whereof, the parties have executed this Agreement as of the date first above written.
